Creative Art Project: DOODLE ART

Paper and drawing materials (markers, pencil crayons, crayons) are all you need for this activity where kids simply draw some lines with a marker on paper and then fill in the blank spaces with colors. Or, kids can take it one step further and find hidden monsters and critters in their drawings. Doodling is great because you never know what might develop.

Update on Make Music Day

Like all of you, we are grappling with the huge impact the coronavirus is having around the world. As we plan for Make Music Day on June 21, we don't know if public gatherings will be allowed or if we'll still be social distancing.

Despite all this, we are still planning on recognizing Make Music Day on June 21. Unlike traditional music festivals, MMD is an open invitation for everyone to make music anywhere.

Right now we are focusing on online MMD initiatives and we'll be sharing ideas on how to create your own instruments! Stay tuned!
