

We need YOU for Make Music Day, Sunday, June 21!

Make Music Day, the international day of music created in 1982, has come to Green Bay. This day is designed to celebrate music in all its forms and encourage people to band together to play free public concerts. Due to COVID-19 we will host events virtually or while social distancing.

We need YOU to sign up to make music happen on June 21! Please see the activities below or create your own on our participate page.

Front Porch Tour

All musicians welcome from amateur to professional! We are welcoming you to play on Sunday, June 21 from the safety of your own front porch, garage or front yard, all while social distancing. Mosaic Arts, the lead organizer for Make Music Day Green Bay, will host live concerts on our FB page on this day. (think of Downtown Green Bay Inc's Live On Downtown) Your location will also be mapped and we encourage people to drive by to take in the music or listen from the comfort of their homes. Please post your profile or venue here. To learn more about Make Music Day, please click here. Virtual tipping will be encouraged!!!

The Art Garage Music Space

The Art Garage will host musicians in their gallery and a studio space as well as an outdoor tent space (weather permitting) on Sunday, June 21 in conjunction with Make Music Day. We are planning on this being a virtual event unless rules have been relaxed. At this time, only one band or one musician will be allowed in each space or tent at time. Performances will be streamed live. The public is encouraged to attend the outdoor shows if rules have been relaxed. There will also be a table set up outside (weather permitting) with supplies to create your own musical instrument to celebrate Make Music Day. For more information about the Art Garage, go to the website. <https://theartgarage.org/>

PBuzz

We are taking submissions and nominations for our PBuzz virtual music class! 10 students will be chosen to participate for free in this virtual class lead by a local music educator! Learn more about the PBuzz [here](#). Children will be able to keep their instrument.

Car Band or Car Orchestra

Bring your craziest instrument and take part in the parking lot car band. Don't have an instrument? Learn how to make one [here](#). Or, feel free to just come watch and listen or honk your car horn in support of our great community, our graduating seniors, our first responders and all those essential workers who have been working so hard during this time of uncertainty.

Musical Collaborations or Fam Jam Bands

Collaborating musically at a nursing home? Have a Fam Jam Band? We want to see it! From

beginner to experienced, we'd love to see your musical creations, recitals and concerts! Send videos to info@mosaicartsinc.org . We'll post them on our Facebook page on June 21.
